Musical Theatre Tryouts for 2022-2023 National Team and Production Team

This is **only** for dancers with previous Musical Theater experience at DDA. During the audition, dancers will present a 1-minute piece they will choreograph to music that will be announced prior to auditions. Please enroll in this section on the DDA website for MT Tryouts. DDA dancers who are new to musical theater or to DDA need to attend at least two musical theater summer classes in lieu of this audition time. Dancers will sign up for their specific time slot through a sign-up genius sent via email. This way dancers will not need to wait around for their turn.
